

A3 Communications Welcomes New Employees Dave Lewis and Daniel Doherty

COLUMBIA, SC (March 5, 2013) — A3 Communications, a leading information technology and communication services provider for the Southeast, has recently hired Dave Lewis as Chief Financial Officer and Daniel Doherty as a Lead Cable Technician.

Dave Lewis

Daniel Doherty

Lewis has over twenty years of accounting, financial, human resources and strategic management experience in diverse work environments including certified public accounting, government contracting, property management, construction, food service, retail, radio media, manufacturing and distribution. As Chief Financial Officer, Lewis will overlook A3 Communications' financial information and transactions from their Columbia, South Carolina office.

Doherty, who will work from the company's Charleston, South Carolina office as a Lead Technician, possesses over 15 years of cabling and installation experience with positions

held at Enterprise Network Services, NextGen Technologies and Universal Netcom. During this time, he has worked with various K-12, municipalities and federal agencies around South Carolina. Doherty is currently studying for his Cisco Certified Network Associate designation.

"We are grateful to have both Dave and Dan join our team. Their wealth of experience and knowledge fits perfectly with A3 Communication's services lines and products offered. I know that their skillset will add value to all projects that they are a part of," said Brian Thomas, President of A3 Communications.
