

A3 Communications Continues to Grow, Expands Corporate Office

COLUMBIA, SC (March 20, 2014) — A3 Communications, a Southeastern security and systems integrator, announced today that they have begun construction on an addition to their corporate office at 1038 Kinley Road in Irmo.

“With continued growth and recent record-breaking years, we had no other choice but to expand our office,” said Joe Thomas, Chief Executive Officer of A3 Communications. “We’ve been fortunate enough to hire nearly double our staff in just over a year. More space will accommodate them and provide room for additional employees in the future.”

The addition is scheduled for completion in July 2014.

About A3 Communications, Inc. — With offices in Columbia, Charleston, Greenville and Atlanta, A3 Communications is one of America’s fastest growing systems integrators. Founded in 1990, A3 provides a broad range of IT and security solutions for the public and private sectors, including: unified communications; managed IT services; virtualization and storage; structured cabling; enterprise networking and wireless; IP video surveillance and access control; network security; and audio/visual solutions. Their highly certified and experienced staff offers comprehensive support and maintenance available 24 hours a day, seven days a week. For more information on A3 Communications, visit www.a3communications.com.

Led by general contractors Hemphill and Associates, Inc., the 1,800-square-foot expansion will serve as an extension to A3’s main office, and house their sales department and additional room for training.

FROM THE CHIEF EXECUTIVE OFFICER

“With continued growth and recent record-breaking years, we had no other choice but to expand our office. We’ve been fortunate enough to hire nearly double our staff in just over a year. More space will accommodate them and provide room for additional employees in the future.”

—F. Joseph Thomas, Chief Executive Officer
