

## A3 Communications Recognized for Sixth Time as One of America's Fastest Growing Systems Integrators

*Sixth Consecutive Year as One of SD&I Magazine's Fast50 Group*

**COLUMBIA, S.C. (April 12, 2018)** — A3 Communications was recognized for the sixth consecutive year as one of America's fastest growing systems integrators by *Security Dealer & Integrator (SD&I) Magazine*. The official rankings were delivered at the International Security Conference & Exposition (ISC West) in Las Vegas, NV, on April 11, 2018 at Sands Convention Center.

"It's a humbling experience to be honored for the sixth year alongside some of the top performing system integrators in the country," said Brian Thomas, President and CEO of A3 Communications. "This ranking is true testament to all the hard work our employees have put in and how we've adapted to the industry's changes over the past six years."

Now in its seventh year, *SD&I Magazine's* Fast50 ranking is determined on revenue growth, percentage growth and three year gross revenue as an effort to effectively rank companies sustainability. A3 Communications was ranked number 34 for 2018.

"We have plans to continue this growth by adding to our team at each of our regional offices and expanding our reach to other neighboring states," said Thomas. "We've partnered with local technical colleges to develop training programs and bring more

technicians into the sustainable field of systems integration. This is a huge step for our industry and we are excited to see how these steps grow Team A3 even further."
