

## Scott Grainger Named Vice President of A3 Communications' Security Division

**COLUMBIA, SC (January 15, 2014)** — A3 Communications, one of America's 'Fastest Growing Systems Integrators' and one of South Carolina's '25 Fastest Growing Companies,' announced today that Scott Grainger, RCDD, was promoted from Project Manager to Vice President of the company's Security Division.

Grainger joined A3 Communications as Project Manager for the company's Greenville branch in February of 2012. In that role, Grainger scheduled and managed a variety of technical implementations for A3's public, manufacturing, financial and commercial clients throughout the Southeast.

In his new position, Grainger will manage A3 Communications' Security Division and oversee physical security projects for all four A3 offices. A3 is confident that Grainger's extensive knowledge of advanced physical security solutions will foster continuous growth

in the security marketplace, helping their customers receive the most advanced security solutions available.

"Scott is a tremendous asset to not only our team, but to our clients," said Brian Thomas, President of A3 Communications. "His knowledge, talent and eagerness to always complete jobs to 100 percent perfection allows A3's Security Division to grow and continue to offer our clients the most robust and advanced solutions. We're happy to have named him our Vice President of Security and look forward to his leadership in this area," concluded Thomas.

**About A3 Communications, Inc.** — With offices in Columbia, Charleston, Greenville and Atlanta, A3 Communications is one of America's fastest growing systems integrators. Founded in 1990, A3 provides a broad range of IT and security solutions for the public and private sectors, including: unified communications; managed IT services; virtualization and storage; structured cabling; enterprise networking and wireless; IP video surveillance and access control; network security; and audio/visual solutions.
